there were giants in the earth in those days and also after that when the sons of god came in unto the daughters of men and they bare children to them the same became mighty men which were of old men of renown genesis 6 4 6 000 years ago a war began a war to rule heaven and earth that dates all the way back to the garden of eden in the garden god told satan that one day a woman would give birth to a male child the messiah who would redeem humanity and destroy him in order to prevent this child s birth satan instigated a fallen angelic rebellion a group of angels broke off their allegiance to the lord and entered the early realm to corrupt the human gene pool and prevent the savior s birth these fallen angels sons of god took human wives daughters of men and had children with them their offspring hybrid half human half angelic beings were superhuman giants known as the nephilim with human dna corrupted and humanity hanging in the balance the lord

unleashed a punishment against the nephilim that was so severe only noah and his family would survive this is the first comprehensive biblical study of the nephilim using only scripture we are given a complete picture of the war between two bloodlines the lineage of the messiah and the seed of satan exploring passages rarely connected to the giants some of the most challenging questions in the bible regarding the nephilim will be answered including why did pharaoh order all male children to be thrown in the river and herod execute all male children in bethlehem how were angels able to reproduce with human women who was the first human woman to marry the sons of god how did the nephilim return after the flood and are there still nephilim among us the judgment of the nephilim will give you a deeper appreciation of god s word his unwavering love and defense of the human race

in among giants the nephilim s saga the ancient giants called nephilim fight epic battles with scary dinosaurs they use their strength and smarts to change the direction of earth s prehistoric history even though the odds were against them in summary long before humans lived there was a race called the nephilim that was very big and very powerful with unmatched strength knowledge and a strong bond to the land these prehistoric giants set out on a dangerous but educational trip they found the strong dinosaurs that ruled the ancient world in the middle of a busy world the nephilim were incredibly strong and these scary monsters were also very strong so they got into great battles but the nephilim didn t just win by force their intelligence cunning and unwavering bravery were also very important in getting past the dinosaurs that were fighting them the nephilim were more than just the fights they were in though they had to deal with the problems that come with living together in a world that was always changing while they were on their journey starting in the beautiful valley of beginnings and going on to interesting and dangerous places the nephilim s journey was both about learning and excitement and about staying alive and fighting they knew how important it was to keep the natural balance and knew that they were responsible for the land and all the people who lived on it the nephilim made connections that changed the path of their trip they fought and beat old enemies and found allies in the strangest places these partnerships based on mutual respect and a clear goal showed how important it is to work together to deal with doubt the nephilim s history shows how much of an impact they had on the world in ancient times as well as the places they took over and expanded into their journey showed the next generation the values they taught them such as courage unity and respect for all living things as guardians of the world they left behind a legacy that would become many stories and legends they did this by protecting the beauty and harmony of their surroundings so even though the nephilim story takes place in a time of giants and dinosaurs it still talks about ideals like bravery knowledge and caring for the environment this story explores ancient history and shows the unwavering resolve of those who want to live in harmony with nature and all its living things chapter 1 the beginning the nephilim are a group of giant creatures that lived on a world very different from ours these giants were looking for a place to live that was peaceful and happy they found something truly amazing at the end of a long and difficult trip the valley was very green and beautiful and it looked like it was sparkling in the sun it looked like a live work of art in this area which became known as the valley of beginnings the valley of beginnings wasn t like other places you could see life everywhere the giants were dwarfed by trees whose bright leaves looked like they were dancing in the wind there were flowers on the ground in every color you can think of and they smelled so good beautiful clear streams of water ran through the landscape and their soft babble made a relaxing sound the sky was mostly pink and blue with fluffy clouds floating by without any thought the nephilim were amazed by this valley they had never seen a place with so much life and beauty it looked like the valley was welcoming them and telling them they could live there so they chose to do the right thing they saw the valley as more than just a place to live it was a sign of a fresh start and the chance to live a peaceful happy life as they got to know their new home they saw that the valley was home to many different kinds of animals the birds with feathers of every color could be heard by the giants the breeze made the butterfly wings whisper sweetly as they flew from flower to flower in the streams fish of all shapes and sizes swam through the water their scales sparkled like diamonds the nephilim saw that there were other people living in the valley with them but the animals that lived in the valley with the giants caught them off guard the valley was home to dinosaurs whose standards were as high as the nephilim s it was full of dangerous predators whose roars could be heard all over the sky and peaceful giants who ate in the trees still this valley was peaceful and harmonious which helped everyone who lived there do well the nephilim knew that their new home in the valley of beginnings would be hard having such beautiful wildlife around taught me how to get along with all living

things and keep the natural balance but as a family they were ready to deal with these problems together they found a valley that was more than just a place to live it was a land full of endless potential where their souls could soar in this way the valley of beginnings was the center of the new universe the nephilim created there was magic and beauty there as well as obstacles and exciting things to do it reminded me that you can find a fresh start and the chance to live a peaceful happy life even in the most unlikely places people called nephilim found themselves in the valley of beginnings and made a home there chapter 2 the first meeting the nephilim who are gentle giants moved into the valley of beginnings one sunny day that same day something strange happened as they walked through the huge beautiful valley and enjoyed the sights and sounds of this peaceful place their journey took an unexpected turn even the nephilim who are giants were shocked when something so big and strong came out of the woods the tyrannosaurus rex was one of the scariest monsters ever the t rex was a scary animal with huge sharp teeth and a roar that could shake the ground when rex came out in front of the nephilim it was the first time the giants had seen such a strong hunter it was clear that people around them were feeling uneasy and the nephilim saw a split second of time rex carefully looked at each other their eyes locked in a silent battle for power the nephilim were known for not being afraid of anything and being strong so they weren't easily scared still they could see they knew that the quiet in the valley wasn't as stable as they thought it was because of rex's stern look and commanding presence there was more to this fight than just two giants going at it it was a sign of things to come and a warning that they lived in a world with other huge strong beings when the nephilim came to the valley of beginnings they wanted to start a peaceful life away from the wars that had ruined their past they were amazed by how beautiful the valley was how green it was and how many living things there were they saw it as a safe place to live where they could get along with nature and the people who lived there however the t rex's sudden arrival rex was very interested in a new world even though the valley was peaceful and beautiful it was also a place where life depended on each other all living things big and small had an important part to play in the delicate cycle of life getting in touch with the nephilim saw rex as a sign of good things to come it was a note to tell them that the valley of beginnings would have problems they would have to figure out how to live in this strange new place how to get along with the other people that lived there and how to become part of the huge web of life that was there the valley wasn't just a pretty place it was a live breathing universe full of wonders and dangers it was the same time the air became less tense as rex turned around and disappeared back into the bush the nephilim were left to think about what had happened since they now knew how important balance was in their new home they were aware that their presence had changed the way the valley worked and they would have to be careful to respect the people who had lived here before them the first time i met the t rex was very important for the nephilim the sight made them think about their place in the world and how powerful and beautiful nature is it set the stage for future meetings learning and growing and the rise of a way of life that respected the worth and power of all living things no matter how big or small the nephilim had found a home in the valley of beginnings which was full of tall trees and lush grass but they had also found a lively world that they would have to learn about and respect in order to live together peacefully
