a detailed survey of the anglican mission to the coalfields in an era where rapid industrialisation crucially affected the old ecclesiastical structures in 1860 the diocese of durham launched a new mission to bring christianity and specifically anglicanism to the teeming population of the durham coalfield over the preceding fifty years the church of england had become increasingly marginalised as the coalfield population soared parish churches that had been built to serve a scattered rural medieval population were no longer sufficiently close or relevant to the new industrial townships that were being constructed around the coalmines the post 1860 mission was a belated attempt to reach out to the new coalfield population and to rescue them from the forces of methodism labour militancy and

irreligion it was posited on the need to build new churches to delineate new parishes and to recruit a new type of clergyman working class and down to earth in origin and outlook and somebody who could make an empathetic connection with his new parishioners this book is a detailed exploration of the way in which the church of england in durham handled its mission it follows the church's relationship with the coalfield which ranged from an early nineteenth century aloofness to an early twentieth century identification which many church leaders considered had gone too far and in so doing reveals how the durham experience relates to national attempts to maintain anglicanism's relevance and presence in an increasingly secular and sceptical society dr robert lee lectures in history at the university of teesside middlesbrough

participation by employees in the financial results of their companies has grown in importance across the european union since the 1990s this report investigates the scope and characteristics of employee share ownership and profit sharing schemes in 14 eu member states it follows on from the joint publication by the european commission and the foundation of a comparative overview of the nature and extent of financial participation in the eu based on survey data from the cranfield school of management it examines the structural hr management and participation features of business organisations having one or both types of scheme the report represents the most comprehensive inquiry to date of the incentives and benefits behind financial participation schemes
