soap opera story the only mass public form of continuing narrative today is oral culture for our electronic era carol williams it s time for my story is an examination of soap opera sources structure and response particularly from the critical viewpoints of psychology both archetypal and empirical and popular culture specifically narratology and feminism that uncover the true nature of the genre first williams traces the development of soap opera from its immediate source in radio and television as well as from its fundamental source in age old myth and storytelling then she analyzes the

content and form that together make up the structure of soap opera finally she looks at what soaps mean to watchers and in the process debunks many myths about soap opera for instance the myth that soap opera like all television drama is merely commercial produced formulaically by advertisers williams argues that soap opera is not only a commercial product but also a popular art form derived from the wellspring of culture and folk story she also argues that it is a form which has been depreciated because it is historically a woman s medium discussions with writers creators and fans are included throughout recommended to scholars and students of media drama popular culture and women s studies

what do jeremy and marissa have in common they share the same spirit one that s left them both feeling suicidal but when jeremy s suicide attempt is successful and he dies and wakes up in hell will it be too late for jesus to save him
